The 1980 Varsity Football Cheerleaders are proud. They showed their spirit by decorating the boys' locker room, remembering them at Halloween, and having a gigantic cake at the end of the season. The squad consisted of freshmen, sophomores, juniors, and two seniors. The cheerleaders started early in July and went to Pocono Sports Camp and did a fine job. The cheerleaders brought back the cheers to Boone and tried to spread spirit to the student body.

ACTIVITIES

MARCHING BAND

The 1980-81 Daniel Boone "Blazer" Marching Band

The "Blazer" Band started its long and successful season in August. The Band held a week long band camp. During the first three days of that week, the band learned the entire show. They worked on perfecting the show the other two days.

The band is led by Mr. Gary Troxell, band director. Miss Maureen Conway is the assistant band director. Mrs. Linda Mauck is the band front coordinator.

The band received its first "excellent" rating at Northwestern Lehigh's adjudication, which started the season of competition. The band received its highest rating of the year at the Chapter Champions at Catasaugua High School in Allentown.

The band worked hard all season. With only five graduating seniors, the band has no place to go but up in the coming years.

SUPER STARS AT DANIEL BOONE

Kurt Bauder, a member of the senior class, was not with us this year. Under the early admissions program, Kurt studied at the New School of Music where he worked toward the degree of Bachelor of Music. After college he plans to get a position in a symphony orchestra, teach clarinet at a university, and raise a family.

Kurt's accomplishments in high school included County, District, Region, State, and All-Eastern Bands.

Cassie Hicks also decided to be one of our "over-achievers". This year, instead of attending Daniel Boone, Cassie attended Louisiana College in Pineville, Louisiana. She is majoring in both biology and chemistry in the Pre-Med Curriculum. After college she plans to continue in medical school to gain a degree in Ophthalmology.

Her activities at Daniel Boone included Junior Band, Intramural gymnastics, track, Varsity Club, Student Council, National Honor Society, the class play, and French Club.

Kris Kennedy, a junior at D.B., entered the annual Science Fair in 1980. She placed in the Botany Division.

What's that sly look for, Janet?

This year the French Club had many cultural experiences. They had a Christmas Party with a special French dessert called Buche de Noel. At this party, they sang French Christmas carols and had a very enjoyable time. Occasionally on their meeting days you can find the French Club down in the Home Ec Rooms cooking up a storm. They make such things as Quiche Lorraine, Crepes, Cheese, Meat and Chocolate Fondues. Their annual high-light this year will be in the spring. They plan to visit New York. While they are there they will explore, see a movie, and eat in a French Restaurant.
